## INSTRUCTIONS

1. Use a liner brush to apply 3 coats of Sky Blue to the inside of the ears and the nose.
2. Next, paint the body of the carrot with 3 coats of Deep Sea.
3. Paint the leaves of the carrot with 3 coats of Blue Lagoon.
4. Next, thin down each of the blues by adding 30% water to 70% paint. This will help the paint flow into the lines a little smoother.
5. Use a liner brush to apply the whiskers with Blue Lagoon.
6. Fill in the eyes with a detail brush and two coats of Saffire.
7. Next, Use a pencil or a water based marker to gently sketch out flower and leaf shapes. If using pencil, lightly rub off excess lead from the piece before painting.
8. Using a small brush, fill in the petals and the leaves using either Sky Blue or Deep Sea. Repeat for a second coat.
9. Use the liner brush to make lines and stems. We alternated between Saffire and Blue Lagoon. We did only one coat on these.

## TIPS

- We aren't aiming for perfection, we are looking for that brush mark quality.
